

Karima Touhami

Software Development Engineer

 karimatouhami246@gmail.com  Karima Touhami  KarimaTouhami  My portfolio

OBJECTIVE

Software Engineer specializing in modern frontend development with React and Next.js. Passionate about crafting responsive, accessible interfaces and solving complex problems through elegant, user-centered solutions. Seeking to grow in a healthy, collaborative environment.

PROFESSIONAL EXPERIENCE

- Frontend Developer, Fortunetech SMC**10/2024 – 08/2025 | Remote
 - Built and maintained multi-role dashboards in Next.js + Shadcn UI, improving load speed by ~30% through optimized components and API caching.
 - Integrated REST APIs using React Query, reducing request overhead and boosting Lighthouse performance by 20+ points.
 - Collaborated with designers and backend teams to deliver pixel-perfect UI, reducing UI inconsistencies by 40% across the product.
- Web Development Intern, SUPTEM**09/2024 – 10/2024 | Tangier, Morocco
 - Co-developed the school website in WordPress, optimizing SEO and UX.
- Software Engineering Intern, Italia Machines**06/2023 – 07/2023 | Tangier, Morocco
 - Designed Flutter UI screens and integrated them with Odoo ERP workflows, reducing manual data entry time for staff by ~25%.

PROJECTS

- FortuneConnect Platform, fortuneconnect.africa**10/2024 – 08/2025
 - Built landing and dashboard interfaces for multi-user roles (Admin, Member, Investor) using Next.js, Shadcn UI and React Query.
 - Delivered 15+ production-ready frontend components used across 3 dashboards
 - Built reusable UI patterns that reduced development time for new pages by ~30%
- Dantex, Modern Dental Clinic Platform**11/2025

A modern and responsive dental clinic website built with Next.js, Supabase, and Google APIs.
- iMachines, italiamachines.com**07/2023

iMachines is a WordPress e-commerce platform for the HORECA industry, showcasing premium kitchen equipment. I customized the frontend, improved layouts, and optimized performance for a smooth, responsive, and visually engaging experience.

EDUCATION

- Software and Decision-Making Engineering, SUPTEM (école Supérieure des Sciences Techniques et de Management)**10/2022 – 10/2025 | Tangier, Morocco
- Software engineering, ALX SE Africa**08/2023 – 11/2024 | online
Frontend Specialization
